10 House Points:

- Create an ocean in a jar

- Create a papier mâché globe
- Create a model using recycled plastic
- Take photos of you litter-picking in the community
- Conduct an experiment using floating and sinking as your inspiration

5 House Points:

- Create a poster to inform about plastic pollution
- Create ocean inspired artwork on a large pebble
- Draw a map, annotating the 5 oceans
- Write a fact file about a sea creature of your choice
- Memorise and perform 'Five Oceans Song' through dance - https://www.youtube.com/watch?v=X6BE4VcYngQ

5 House Points:

- Create a mathematical problem using sea-themed objects e.g. shells If Jane has 34 shells to begin with but 24 are washed away in the ocean, how many does she have left?
- Create a boat using 2-D or 3-D shapes

This half term's House Project is:

Oceans

HAND IN BY: The last week of Autumn 2

Choose projects to achieve your House Points

By all means earn as many as you would like!

Tick off what you have completed to achieve your points.

3 House Points:

- Write a poem based on plastic pollution
- Perform sea creature yoga, creating your own moves and teach it to a friend!
- Create a picture using sand or using bubbles
- Retell a story based on the ocean using small world figures
- Create a song about recycling (you could listen to Jack Johnsons '3 R's' for inspiration)
- Make a list of ways to stay safe when you're near the water

3 House Point:

- Create a quiz about seas and underwaters creatures to challenge your friends and family
- Make a fish recipe and test it out with a trusted adult!
