Welcome to Black Pepper

Black Pepper has years of experience cooking quality food which children love. Our chefs have backgrounds in restaurants, private schools, and hotels. For more than ten years we have been supplying nutritious meals to schools in Gloucestershire, Herefordshire, and Worcestershire. We listen to schools, parents and children and take on board any comments you have. We will continue to adapt and improve.

We have three main options and three dessert options per day. Our menu rotates every three weeks, so there will always be something different to choose from. When schools request, we change hot meals to packed lunches for school trips. We source our meat and vegetables from trusted local suppliers.

You can order termly, weekly, or daily, with no minimum order, just make sure you order before midnight for the following day. You can order online whether you are paying by card or entitled to free school meals. If you need to cancel a meal, this can also do this online, and credit applied to your account.
