

Year 4 Drawing: Cityscapes

Glossary

Red Hill Riches

I know:

Stephen Wiltshire drew with perspective and proportion.

Drawings use perspective.

A vanishing point can help create perspective

Sketching outlines can support with proportion

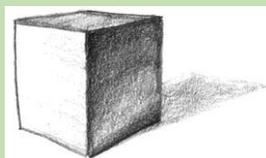

Objects get smaller in the distance.

Different pencils can be used for effect.

Vanishing point

Shading

Stephen Wiltshire

Stephen Wiltshire is a contemporary artist who draws city landscapes in perspective. He is autistic and able to draw a scene from memory after only seeing it once!
