I know:

Helen Zughaib is a collage artist who is inspired by cultural influences.

Helen Zughaib's 'Migrations' work is influenced by war torn migration.

Helen Zughaib uses simple patterns and bright colours.

A collage needs to start in the background.

Colours contrast and compliment each other for effect.

Different materials can create texture within a collage.

Our own artwork can be inspired by others

Helen Zughaib

Helen Zughaib creates scenes using collage techniques. She creates artwork to generate 'empathy'. This is her collection from the 'Migrations' work.
