Red Hill Riches

I know:

Contemporary artists can use digital media.

Textiles can adapt a digital portrait.

Collage and paint can adapt a digital portrait.

Watercolours can be blended to create new shades and tints

Digital portraits can be taken to represent expression and emotion.

Portraits are usually positioned in the foreground.

Victoria Villasana

Victoria Villasana is a textile, installation and street artist. Through pattern, geometry and colour she weaves intricate visual stories which reflect the resilience and triumph of the human spirit.

Lorna Simpson
