

Year 2 Baby Bear's Chair

Excellence and Enjoyment. Everyone and Everything. "God created you to be amazing"

Glossary

Red Hill Riches

I know:

A chair is structured with a seat and secure legs

Some 3D shapes have more stability

Shapes can be fixed together using tabs

Structures must be stable to withstand weight

Structures should be tested to check stability

Chair designs

We will be exploring chair designs and the choice of legs for stability

Goldilocks and the 3 bears

Cylinder, Cuboid and Triangular legs
