

Excellence and Enjoyment, Everyone and Everything. "God created you to be amazing" Ephesians 2:10

Year 1 Geography	Curriculum Driving Concepts		
	Rivers, settlement, climate action		
	Autumn	Spring	Summer
Unit of work Driving Question	What makes my local area so special?	What is wonderful about the United Kingdom?	How does life differ on the other side of the world?
Values	<p>Friendship and Love</p> <p>Why is our school, our community and our environment so special to us?</p>	<p>Respect and responsibility</p> <p>What does United mean? What are our responsibilities as UK citizens?</p>	<p>Perseverance and Hope</p> <p>What was the impact of the bushfires? How did the community persevere to overcome this disaster?</p>
Link to NC programme of study	Pupils should develop knowledge about the world, the United Kingdom and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness.	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.	Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.
What we need to know Red Hill Riches	<p>Know where Worcester is on the map of the UK.</p> <p>Know the difference between a human and physical feature.</p> <p>Know what human and physical features there are in our school grounds.</p> <p>Know what human and physical features there are in Worcester/shire</p>	<p>That we live in the United Kingdom and it consists of England, N Ireland, Scotland and Wales.</p> <p>To know where we are on a world map and in relation to the equator.</p> <p>To know that countries closer to the equator are warmer.</p> <p>To know the capital city of England is London.</p>	<p>Know that Australia is in the continent Australia. United Kingdom is in the continent Europe.</p> <p>Know that the UK is in the northern hemisphere and Australia is in the southern hemisphere.</p> <p>To know that Australia is approx. 32x bigger than the United Kingdom.</p> <p>To know that the key physical features of Australia include coral reefs, bush and desert.</p>

Excellence and Enjoyment, Everyone and Everything. "God created you to be amazing" Ephesians 2:10

	<ul style="list-style-type: none"> • River Severn • Malvern Hills • Cathedral • The Hive <p>To know we can represent these areas using a map.</p> <p>To know a key helps you identify places on a map easily.</p> <p>To devise a simple map and key of our school grounds.</p> <p><i>Collect evidence of our current season through:</i> <i>Weather stations</i> <i>Outdoor walks</i> <i>Photographs</i> <i>Build a seasonal display to include leaves *This does not have to be in geography lessons</i></p>	<p>To know the capital city of Scotland is Edinburgh.</p> <p>To know the capital city of Wales is Cardiff.</p> <p>To know the capital city of Northern Ireland is Belfast.</p> <p>To know and use positional language such as left, right, upwards, downwards, North, South, East and West.</p> <p>Know where the North Sea, North Atlantic, Irish Sea and English Channel are and label on a map.</p> <p>To know the characteristics of Scotland (human and physical features) include: Ben Nevis Edinburgh Castle</p> <p>Wales: Snowdon Cardiff Castle</p> <p>Northern Ireland: Giant's Causeway Titanic Belfast</p> <p>England: Scafell Pike/Lake District Buckingham Palace</p>	<p>Australia include coral reefs, bush and desert.</p> <p>To know that the most populated areas are on the coastline due to the country's physical features.</p> <p>To know that our city is Worcester and Sydney is a city in Australia (not the capital).</p> <p>Know where Sydney is and how to locate and mark it on a map.</p> <p>To know physical features in both locations: Our local river is the River Severn; the main river in Sydney is the Parramatta.</p> <p>To know and use positional language such as North, East, South and West.</p> <p>Know that the location of Australia has an effect on the climate.</p> <p>To know that there is an increase in bushfires due to the increase in temperatures.</p> <p><i>Collect evidence of our current season through:</i> <i>Weather stations</i> <i>Outdoor walks</i> <i>Photographs</i> <i>Build a seasonal display to include leaves *This does not have to be in geography lessons</i></p>
<p>Cross curricular opportunities</p>	<p>Letter to Headteacher about findings.</p>	<p>Description of a chosen physical feature – eg Giant's Causeway</p> <p>ICT: Google maps/images/Street view to explore different parts of Australia.</p>	<p>Postcard home from Australia.</p> <p>ICT: Google maps/images/Street view to explore different parts of Australia.</p>

Excellence and Enjoyment, Everyone and Everything. "God created you to be amazing" Ephesians 2:10

<p>Links to prior knowledge (footprints)</p>	<p>EYFS: Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps.</p> <p>Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.</p> <p>Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class;</p> <p>They should be able to: Tell you something about where they live e.g the number of their house, the street where they live, something that is near their house.</p> <p>Show an interest in looking at maps and globes.</p> <p>Talk about features of their immediate environment.</p> <p>Talk about how different environments are different when looking at photographs and books.</p> <p>Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.</p> <p>ELG: The Natural World Children at the expected level of development will: - Explore the natural world around them, making observations and drawing pictures of animals and plants; 15 - Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class;</p>	<p>Know where Worcester is on the map of the UK.</p> <p>Know the difference between a human and physical feature.</p> <p>Know what human and physical features there are in our school grounds.</p>	<p>That we live in the United Kingdom and it consists of England, N Ireland, Scotland and Wales.</p> <p>To know where we are on a world map and in relation to the equator.</p> <p>To know that countries closer to the equator are warmer.</p> <p>To know and use positional language such as left, right, upwards, downwards, North, South, East and West.</p>
