

Year 2 History

What is the legacy of the Great Fire of London?

Glossary

London, fire, spread, fire engine, Samuel Pepys diary,

drought, cause consequence bakery

Red Hill Riches

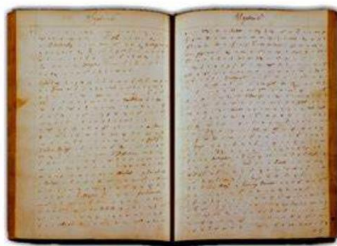

I know:

The Great Fire of London started in Thomas Farriner's bakery in Pudding Lane in 1666.

Houses were built of wood and straw and were close together.

There was no fire service at this time so people used buckets to put the fire out.

We know about the fire from Samuel Pepys' diaries, artists' paintings and other primary sources.
