

May 2025

Dear Parents and Students,

Every year our college provides an opportunity for children who are currently in Year 5 to spend a day working alongside our students and staff. This day offers a chance to experience a variety of subjects including some that are only taught at secondary level and to gain an insight into the ethos of the college.

This day will also provide an excellent opportunity to get a feel of the hardworking family atmosphere within our college, to discover more about secondary education in general and to gain confidence from this transition experience.

Your child is therefore warmly invited to visit our college on **Tuesday 10th June**.

Students will be required to make their own way to school for 9.15am and make their own way home at 3.00pm.

The students can wear their primary school uniform and will need to bring a pencil case and some money, about £3.00, if they want to buy food or drink from the canteen.

Early next term there will be an excellent opportunity for both parents and students to view the college when we hold our annual Open Evening on **Thursday 25th September**.

We look forward to seeing you and hope that your child has a pleasant and rewarding day with us.

Yours sincerely,

KLMason
