Secondary Colors

 red +  yellow =  orange
 yellow +  blue =  green

Red Hill Riches

I know:

Romero Britto is a Brazilian artist inspired by Cubism.

Paul Klee created artwork out of shapes.

Primary colours are red, yellow and blue.

Secondary colours are created by mixing primary colours together.

Line is needed for an outline.

Romero Britto

Romero Britto was inspired by Cubism and uses bright colours with a black outline.

Paul Klee

Paul Klee paints with lots of different shapes to make an object.
