## Pop Art

Pop Art was an artistic movement in the 1950s & 60s which represented 'Young, Bold, Fun'. Andy Warhol was instrumental in making Pop Art a popular artistic culture.

## Red Hill Riches

I know:

Pop Art was an artistic movement in the 1950s and 1960s

Andy Warhol was influential in the Pop Art movement

Roy Litchenstein used pointillism as a technique during the Pop Art Period.

Pointillism uses pure, unmixed colours as the viewers eye does the blending

Pointillism was started by Seurat in the 1880s

Pointillism uses a series of dots to create an image. It uses pure, unmixed colours and lets the viewers eye do the blending

## Roy Lichtenstein

Roy Lichtenstein used pointillism during the Pop Art era to create a series of portraits, to convey emotion.
