RE: Raising Chicks

Dear Parents and carers

We are very excited to offer children in Reception a wonderful learning experience by raising chicks from living eggs in school.

This hands-on activity will provide them with valuable insights into life cycles and animal care. Having eggs in the setting and watching chicks hatch is an exciting and memorable experience for EYFS children. It supports the EYFS curriculum by helping children understand the natural world, observe change over time, and develop curiosity through real-life experiences. Children also build language skills, care and empathy for living things, and a deeper respect for nature

This will take place in school week commencing Monday 9<sup>th</sup> March.

We are asking for voluntary contributions of £5.50 to fund this exciting project and consent to be made through **Arbor** by Friday 6<sup>th</sup> March. If your child is eligible for Pupil Premium, please contact the office directly. If insufficient voluntary contributions are received to fund the visit, school reserves the right to cancel any trip.

Yours sincerely
