RED HILL C of E PRIMARY SCHOOL

At Red Hill C of E Primary School, we look to Jesus as our example in our aspirations for excellence and enjoyment in all that we do. We believe that everyone is unique and everything is celebrated. **God created you to be amazing** (Ephesians 2:10)

Excellence & Enjoyment, Everyone & Everything

At Red Hill CE Primary School we believe in promoting **excellent** attendance and punctuality for **everyone** in order for them to make the most of the opportunities (**enjoyment**) that school has to offer (**everything**). We believe that regular attendance is vitally important in promoting successful learning, as well as developing key life skills which are essential for success in the world beyond school. It has been proven that attainment can be closely linked to attendance and in order to achieve their full potential children should aim for the highest levels of attendance and punctuality.

“The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school” (Working together to improve school attendance, Statutory Guidance August 2024).

We rely on our partnership with parents and recognise that it is a parent’s legal responsibility to ensure that their children attend school in a regular and committed manner. In support of this, the following information outlines our commitments in ensuring that attendance at Red Hill CE Primary continues to be of the highest priority.

AIMS

- To ensure excellent levels of pupil attendance and punctuality, aiming for 100%.
- To establish an ethos of ‘school attendance matters’ through proactive strategies to promote good attendance and punctuality.
- To work closely with parents/carers to fulfil our obligations to the children by placing high priority on the regular attendance and punctuality of all pupils.
- To ensure procedures within the school identify and follow up all absences and patterns of absence at the earliest opportunity.
- To have a clear and consistently applied escalation process.
- To continuously develop the school’s celebration of good attendance and punctuality.
- To provide a school that has a “calm, orderly, safe, and supportive environment where all pupils want to be and are keen and ready to learn” (*Working together to improve school attendance, August 2024*).

TARGET

We recognise that it “is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. The pupils with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment” (*Working together to improve school attendance – August 2024*).

The school day runs from 8:50am until 3:25pm. The school gates open at 8:40am.

Therefore, we expect all pupils to strive for 100% attendance and to arrive punctually by **8.50am** to start the school day promptly.

There is a statutory requirement for schools to set whole school attendance targets in line with national averages and Ofsted guidance. A target is set by the Senior Leadership Team and agreed and monitored by the Senior Attendance Champion, Head Teacher and Governors each academic year. This year the attendance target has been set at 97%.

ROLES AND RESPONSIBILITIES

HEADTEACHER

- The Headteacher at Red Hill is Ms Jolanda Simmonds and can be contacted at head@redhill.worcs.sch.uk
- The Headteacher is responsible for authorising or unauthorizing leaves of absence
- The Headteacher is responsible for working alongside the Senior Attendance Champion to support families with attendance

SENIOR ATTENDANCE CHAMPION

- Mrs Sarah Price is the Senior Attendance Champion and can be contacted at sprice@redhill.worcs.sch.uk
- The Senior Attendance Champion should analyse the data each week for attendance and monitor trends for key groups or cohorts
- The Senior Attendance Champion should report weekly attendance on the school newsletter and the website
- The Senior Attendance Champion should work alongside families who are deemed as persistent absentees and hold attendance meetings with those families
- Work alongside the Worcestershire EWO team to continue to support families with attendance

PUPILS

- Pupils should strive to attend school every day and be on time.
- Pupils should have a clear understanding of the importance of attending school as well as acceptable and unacceptable reasons for absence.
- Pupils should tell their parents/carers or class teacher of any reason that prevents them attending/wanting to attend school.
- In instances of lateness, pupils should report to the school office upon arrival where a note will be made on scholar pack outlining the number of 'minutes late' a pupil has arrived.

PARENTS/CARERS

- Parents/carers have a legal responsibility to ensure that their child attends school every day and arrives on time.
- Parents/carers should have a clear understanding of the importance of attending school, acceptable and unacceptable reasons for absence, and the fact that an absence will remain unauthorised until a satisfactory explanation has been given.
- Parents/carers should work closely with the school and inform the office on the first day of their child's absence and where necessary all other days thereafter. Mrs Angela Green should be contacted in the office on **01905 352524**.
- In circumstances where a parent/carer is having difficulty getting the child to attend please seek the support of the school as quickly as possible through a member of the Senior Leadership Team. This can be done by phoning the school office.

The Headteacher is the named senior member of staff with the lead responsibility for attendance and punctuality alongside the named Senior Attendance Champion in school. Governors have a responsibility for monitoring attendance targets. The Receptionist is the attendance administrative support.

Members of school staff; the Senior Leadership Team, Governors, teaching and non-teaching staff all have responsibility for attendance and punctuality in school. "Improving attendance is everyone's business. The barriers to accessing education are wide and complex, both within and beyond the

school gates, and are often specific to individual pupils and families (Working together to improve school attendance, August 2024).

Attendance matters are reviewed by the Headteacher and Senior Attendance Champion. Attendance monitoring is reported termly to the Governing body. The school will consult with any other relevant agencies such as the School Nurse, Early Help Team, Educational Psychologist, Children and Mental Health Service (CAMHS), Children's Services, Education Welfare Officer (EWO) and others to seek to support individual cases as appropriate.

ABSENCE FROM SCHOOL

- Parents/carers are asked to inform the school by telephone if a pupil is absent, because of illness, on the first day of absence ***no later than 9.30am*** providing the reason and where necessary on each subsequent day of absence.
- If school has **not** been contacted by the parents/carers, the office will make contact by telephone. This will be recorded on the school Arbor system with the reason for absence.
- Where a pupil returns to school following an absence and school has not received a written or verbal explanation parents/carers will receive a phone call requesting the reason for absence.
- After 2 days' absence, where there has been no contact from parents/carers the pupil's name will be referred to the Headteacher and Senior Attendance Champion who will try to make contact with the parents/carers or any of the named contacts. If no contact is made the above staff will conduct a 'safe and well' home visit with another member of staff
- If no contact can be made a letter will be delivered by hand to the home address and where there are concerns the police may be asked to do a 'welfare check.' This will be reported to Children's Services.
- If a child has been off school for more than 4 days and parents have been in contact with school, we may perform a safe and well visit to ensure children are safeguarded. A courtesy call will be made prior to this visit.
- If a child is off school for a prolonged period of time with medical evidence, school will conduct regular safe and well visits to ensure the safeguarding of the child. A courtesy call will be made prior to this visit.
- Should there be frequent absence, the Senior Attendance Champion may invite parents in to create a School Attendance Agreement. This will set attendance targets and discuss how school can further support families.
- Should there be frequent absence due to illness, Headteacher and Senior Attendance Champion alongside the EWO, will ask to meet parents and may ask for 'supporting' evidence, such as prescription/prescribed medication /appointment letter/letter from GP or consultant. If these are not provided the absence will be recorded as unauthorised.
- If a pupil is going to be absent from school for a long period of time due to illness or other authorised extenuating circumstances, school will liaise with an Education Welfare Officer in order to best support the pupil.
- If any member of staff is concerned about a reason for absence, a member of the Senior Leadership Team or Safeguarding Team should be informed.
- A pupil may be absent on a day that is exclusively set apart for religious observe by the religious body the parents(s) belong to (not the parents themselves) (*Working together to improve school attendance, August 2024*).
- Parents are requested to complete a Leave of Absence Request form for this from the school office. School will not authorise holidays during term time.
- After 10 consecutive days' absence, we are required to report this on the Worcestershire Children's Services Portal. In line with the Education Regulation Act (1996) if a child is absent from school for longer than 20 days with no authorised reason the child's name could be taken off roll.

It is a school's decision whether to accept a reason for a child's absence and whether to authorise that absence. In the majority of cases a parent/carer note explaining that their child was ill, for example, can be accepted without question or concern. In exceptional circumstances further evidence of a child's absence may be requested. However, schools can challenge parents' statements or seek additional evidence if they have any concerns regarding a child's attendance.

APPOINTMENTS

- We encourage parents/carers to make appointments outside of school hours. Many GP surgeries, dentists and hospitals offer before and after school appointments.
- We accept occasionally there will be the need for emergency appointments, however these will be rare. Parents/carers are requested to provide written or verbal confirmation of these appointments.
- Pupils must be signed in and out at the office and these absences will be recorded as appropriate.
- We do not expect pupils to be absent all day for a medical appointment, unless there are exceptional circumstances.

PLANNED ABSENCE FROM SCHOOL

- Government legislation states that no planned absence from school will be authorised, unless there are exceptional circumstances.
- Parents must notify school of any planned absence from school in writing using the 'Leave of Absence Request Form' available at the office. This must be made prior to the absence taking place. **Absence requests for exceptional circumstances will only be accepted by the Headteacher when completed on this form.**
- If necessary, school may liaise with an Education Welfare Officer in addressing unauthorised absence linked to planned absence from school.
- Exceptional Circumstances: "All schools can grant a leave of absence for other exceptional circumstances at their discretion...it must be requested in advance by a parents who the pupil normally lives with. Schools are then expected to consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is granted, it is for the school to determine the length of time the pupil can be away from school." (*Working together to improve school attendance, August 2024*)

PUNCTUALITY

- Pupils are expected to arrive at school by 8.50 a.m., arriving between 8.50 a.m. and 9.30 a.m. will be considered as late. This will be marked on Arbor.
- Pupils arriving after 8.50 a.m. must report to the School Office so that their attendance and 'minutes late' can be recorded.
- Pupils arriving after 9.30 a.m. will receive an unauthorised late mark unless a satisfactory reason is given. This results in the pupil being absent on the attendance report for the morning session.
- Action to address lateness will be the responsibility of the Attendance Lead. Class registers **MUST** reflect the correct late code ('L' to be used prior to 9.30am, 'U' to be used after 9.30am and 'M' to be used if a medical appointment has resulted in the late arrival of a pupil).
- Valid reasons for lateness could include medical appointments, which have been agreed with school prior to the appointment.

REPORTING TO PARENTS/CARERS

A child's overall attendance will be reported to the parents/carers at the end of the academic year distributed within the end of year school report. A weekly class attendance overview will be reported on the newsletter.

REWARDS

We have a number of attendance rewards in order to promote the importance of attendance and punctuality and our ethos that 'school attendance matters.'

- All staff reward good attendance and punctuality on a daily basis through praise and encouragement.
- Weekly collective worships promote attendance through two 'Attendance Classes of the Week' recognition. These are awarded to the classes in KS1 and KS2 with the highest attendance for the week.
- Each week, the top 2 classes in each key stage are awarded Gold and Silver leaves to place on the 'Attendance Tree' in the main school.
- The weekly overall school attendance figure is displayed on the weekly newsletter and website with the school target.
 - At the end of each term, the class from each key stage who have been awarded the weekly 'Attendance Class of the Week' most frequently will be rewarded with a class prize eg. a film afternoon. These rewards will be decided by the Pupil Leadership Team in collaboration with the pupils across the school.
- Pupils who have previously had poor attendance/punctuality and make significant improvement following intervention will be issued with a praise letter or postcard acknowledging their improvements. This will be actioned by the Senior Attendance Champion
 - 100% certificates are given to children who have 100% attendance per term

PROCEDURES

Registers

An accurate and consistent registration system is crucial both to provide a solid foundation for analysis of absence and to support any statutory interventions. If completed incorrectly this can constitute a risk in the event of an emergency evacuation. The register is a legal document and must be kept accurately.

Attendance registers will be kept in accordance with legal requirements, local authority guidelines and school regulations. Red Hill CE Primary School use electronic registration (ScholarPack) to keep registers.

Every half a day of absence from school has to be classified by the school as either authorised or unauthorised. Authorised absence is where the Headteacher has either given approval in advance for a pupil of compulsory school age to be away, or has accepted an explanation offered afterwards as satisfactory justification for absence. All other absences, including persistent lateness, must be treated as unauthorised.

Absence can only be authorised by a person designated to do so by the Headteacher. At Red Hill CE Primary School the Headteacher/ Senior Attendance Champion has been designated to authorise absence [see The Education (Pupil Registration) (England) Regulations 2006 (SI No. 2006/1751) – reg 7(1)].

If the school is forced to close due to circumstances beyond our control this does not affect pupils' attendance.

Attendance registers may be kept manually or electronically. School complies with and uses the DfE compulsory national attendance codes

POOR ATTENDANCE

School attendance of 95% or less is below average and below our school target of 97% and therefore, children whose attendance falls below 95% will be closely monitored by the Headteacher and Senior Attendance Champion and further action considered. School will challenge the attitude of those pupils and parents/carers who give a low priority to attendance.

Schools will analyse individual pupil data to identify quickly patterns of absence which cause concern and parents will be informed by the school where their child's attendance causes concern.

School has a clear and escalating approach to intervention where there are concerns regarding school attendance including letters home, phone calls, regular meetings with parents/carers and home visits.

Any child with attendance below 90% will receive a letter informing them of their child's attendance on a half termly basis. After school has attempted to address attendance issues with the parents/carers

and there is no improvement, external agencies may be involved including the Education Welfare Officer (EWO).

PERSISTENT ABSENTEEISM AND SEVERE ABSENTEEISM

Persistent absenteeism is classed as an attendance below 90%. Severe absenteeism is classed as attendance below 50%

Pupils with persistent absenteeism will be identified and regularly monitored. Should attendance become a concern, a 'Attendance contract' will be put in place through a formal Attendance meeting to address the underlying reasons for the absence level. Where the child's attendance remains a concern following supportive strategies further referrals may be made to an EWO and may result in penalty action.

ATTENDANCE MEETING

Parents/Carers of pupils whose attendance gives cause for concern may be invited to attend an Attendance Meeting. An Attendance Meeting is a formal meeting to discuss the child's school attendance, identify barriers and agree a formal 'Attendance contract' which will create a plan of action and support with clear actions, in order to improve school attendance.

POOR PUNCTUALITY

A child who is 10 minutes late for school every day effectively misses out on 6 full days of their education over a year, having an impact on their achievement.

Persistent lateness is a form of absence and requires the Headteacher/Deputy Headteacher/ Senior Attendance Champion to speak with parents/carers to try and understand and support reasons for lateness. It is important that parents/carers are aware that persistent lateness can make a significant difference to their child's achievement. Persistent lateness is monitored by the Headteacher and Senior Attendance Champion. Lateness concern letters will be issued by the Attendance Lead if there is an issue. If lateness persists the parents/carers will be invited in for a formal meeting to discuss it further. In some cases, where persistent lateness does not improve a referral will be made to the Education Welfare Service and could lead to penalty action.

PENALTY NOTICES

For those families where poor attendance continues, processes will be followed regarding issuing Fixed Penalty Notices, which are fines issued to parents where a child has an amount of unauthorised absences over a certain period of time. In some cases, the same procedure will be followed for those families taking unauthorised holiday. In certain circumstances, extremely low attendance with unexplained absences may also result in prosecution of parents for not ensuring their child's attendance at school.

FIXED PENALTY NOTICES

"Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the pupil's right to education." 'Working together to improve school attendance' (August 2024), Fixed penalty notices are served on parents as an alternative to prosecution where they have failed to ensure that their child of compulsory school age regularly attends school. Fixed penalty notices are intended to prevent the need for court action and will only be used where a fixed penalty notice is deemed likely to change parental behaviour. As stated in fixed penalty notices could be issued for the following reasons;

- Where support would not be appropriate or has not been successful or engaged with and it is likely to change the parents' behaviour.
- Absence was unauthorised and support has been provided but has not worked or been engaged with, or would not have been appropriate in the circumstances of the offence (e.g. an unauthorised holiday in term time).

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. Parents will receive a first notice letter, which will give a period of 20 school days to make an improvement. If there has been no improvement, parents may be issued with a

penalty notice. A penalty notice fine is issued per parent, per child by Worcestershire County council. A first time absence fine is **£160** if paid within 28 days, reduced to **£80** if paid within 21 days. If a second period of unauthorised absence occurs within a 3 year timescale, this is subject to a penalty notice fine, per parent, per child, of **£160** to be paid within 28 days.

Failure to make payment of penalty notices issued may lead to court proceedings.

The third period of unauthorised leave of absence incurred within 3 years of the first penalty notice issued; a further penalty notice will **not** be issued. If suitable, the matter will be presented to the Magistrates' Court under S4441 Education Act 1996.

Cases found guilty in the magistrates Court could result in a fine up to £1,000 per parent, per child, and will also hold a criminal record for failing to secure regular attendance.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason. If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

REINTEGRATION

We recognise that reintegration for children that have had a long term absence (such as a prolonged stay in hospital) or for those that have shared provision could be challenging. We also recognise that there may be other groups of children that may need support in the school environment. These may include pupils with Special Education Needs and Disabilities (SEND), medical needs, Children Looked After (CLA), and vulnerable and safeguarded pupils. In accordance with our Equal Opportunities policy all of these cases will be supported by the school; individual needs will be assessed in order to seek support from relevant agencies as deemed appropriate.

PART TIME TABLES

For some cases, it may be necessary for pupils to be placed on a part-time table to support regular attendance. Part-time tables are to be monitored and reviewed on a weekly basis with the parent/carer and should (in most cases) result in return to full time school attendance within 6 weeks. Where attendance is expected within a part-time timetable but the pupil does not attend, this will be marked as unauthorised absence. Where a pupil is not attending due to ill health/health reasons, school will request 'supporting evidence' to authorise any absence.

PHYSICAL OR MENTAL ILL HEALTH

Some children face more complex barriers to attendance. This can include pupils who have long term physical or mental health conditions or who have special educational needs and disabilities (SEND). Their right to education is the same as any other pupil and therefore the attendance ambition for these pupils is the same. We will work in partnership with the pupil and family to put in-school support in place and working with other local authority and other agencies where external support is needed. *(Working Together to Improve attendance, August 2024)*

School will:

- facilitate any relevant pastoral support with the aim of improving attendance
- Consider adjustments to practice and policies to help meet the needs of pupils who are struggling to attend school, as well as making formal reasonable adjustments under section 20 of the Equality Act 2010 where a pupil has a disability. Any agreement should be regularly reviewed with the pupil and their parents.
- Work in partnership with families and establish strategies for removing the in-school barriers these pupils face, including considering support or reasonable adjustments for uniform, transport, routines, access to support in school and lunchtime arrangements.
- Ensure joined up pastoral care is in place where needed and consider whether a time-limited phased return to school would be appropriate.

CONCLUSION

This policy highlights the importance of attendance and punctuality of all our pupils at Red Hill CE Primary School. Our school is committed to working towards our attendance targets as a milestone in striving towards the goal of 100% attendance for all. We consistently use a whole school approach to support and encourage parents/carers and pupils to attend school every day. We operate an open door policy and will always address individual needs to the best of our ability. In return, we expect the support of both parents/carers and children in achieving the best possible levels of attendance.
