

Excellence and Enjoyment, Everyone and Everything. "God created you to be amazing" Ephesians 2:10

Summer 2 -Year 3 Red Hill Riches

Science	Geography	RE
<p><u>Light- How are shadows formed?</u></p> <p>I know: Light is needed in order to see things and dark is the absence of light. Objects can be opaque, translucent or transparent. Light is reflected from a surface. Shadows are formed when light from the light source is blocked by an opaque object</p>	<p><u>Why do volcanoes occur?</u></p> <p>I know: Volcanoes are located on fault lines. Volcanoes are classed as active, dormant or extinct. Volcanoes key features are magma chamber, main vent, secondary vent, and crater. Volcanoes provide fertile soil The Pompeii volcano devastated the city.</p>	<p><u>How and why do people try to make the world a better place?</u></p> <p>I know: Some beliefs about why the world is not always a good place (e.g. Christian ideas of sin). Links between religious beliefs and teachings and why people try to live and make the world a better place.</p>
PSHE	PE	Computing
<p><u>Changing Me</u></p> <p>I know: How humans and animals grow and change from birth to adulthood Why bodies change as we grow up How boys' and girls' bodies change on the inside and outside and why these changes matter Why keeping clean becomes more important at puberty Simple ways to keep clean and healthy Stereotypes about parenting and family roles What I am looking forward to in my next class Changes I might make next year</p>	<p><u>Athletics</u></p> <p>I know: Leaning forwards slightly helps to increase speed. Leaning my body in the opposite direction to travel helps to slow down. If I jump and land in quick succession, the momentum will help me to jump further. The speed of the movement helps to create power when throwing.</p> <p><u>Tennis</u></p> <p>I know: That pointing the racket face/my hand where I want the ball to go and turning my body will help to hit accurately. That hitting towards my partner will help them to return the ball easier and keep the rally going. That moving to the middle of the court will enable me to cover the most space. That using simple tactics will help to achieve an outcome.</p>	<p><u>Stop Frame Animation</u></p> <p>I know: How an animation/flip book works and create my own How to create an effective stop-frame animation Describe an animation that is achievable on screen How to create a storyboard Evaluate the quality of my animation How to add other media to my animation</p>

Excellence and Enjoyment, Everyone and Everything. "God created you to be amazing" Ephesians 2:10

Pneumatic toys

I know:

Pneumatics operate using air or gas

Pneumatics make elements of a design move

Pneumatic elements can be included within a toy

Products can be decorated to be aesthetically pleasing

Contemporary classical music- Composer- John

Williams

I know:

The fingering for C and D on the recorder

Where the notes C and D are on the staff.

Little Red Riding Hood

I know:

Recognise key words in a familiar story

Decoding skills when meeting unfamiliar words

Name parts of the body

Join in with a familiar song
