

Support for Children and Families at Red Hill CE Primary School

At Red Hill C of E Primary School, we look to Jesus as our example in our aspirations for excellence and enjoyment in all that we do. We believe that everyone is unique and everything is celebrated.

Ephesians 2:10- ***God created you to be amazing.***

At Red Hill, we believe that safeguarding is everyone's responsibility.

 Mrs Gemma Tomkinson; Mental Health First Aider

Meet our team:

Ms Simmonds

Mrs Reading

Mrs Saunders

Miss Keen

Mrs Tomkinson

Mrs Gardner

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at Red Hill CE Primary School means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)

- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

Here are some of the ways Red Hill supports our families;

- **Open door policy** where you can see/speak with a member of the senior leadership team or designated safeguarding team
- We are a **Trauma Informed school** and use strategies to support children and families who have experienced ACEs. Ms Simmonds has undertaken the two-day TIS training. All staff have also received in-house TIS training.
- We hold regular **SEND** coffee mornings to support our families of SEND children.
- We have **Bailey** - Ms Simmonds' Sprocker Spaniel dog - who comes into school every day. He supports children with SEND or emotional needs as well as much needed therapy for adults too.
- Every classroom has a '**calm corner**' full of resources to help with self-regulation.
- We have a whole school **wellbeing offer** which includes brilliant breathing, terrific talking and marvellous music strategies.
- We have an in-house **Family Support Worker**. Families can self-refer for advice and guidance from Miss Keen in relation to a variety of difficulties, such as emotional well-being, parenting, family breakdowns or illness, domestic abuse or struggles with finances. Miss Keen can also carry out direct work with children to support emotional well-being.
- Individual children or whole families can be referred to **Worcestershire Children's Services** for family support through the new **Families First** service. The referral is made through the **Family Front Door**. Parents can do this themselves or school can support with this once parental consent is given. If the referral has been accepted you will be allocated a Family Support Worker who will make every effort to support you and your child both in school and at home. For more information, please visit
- We work closely with our **school health nursing team**, who are able to provide advice and guidance to parents on a variety of health and wellbeing issues. Parents can self-refer to the school health nursing team or a member of staff can do this on parents' behalf. For more information, please visit [Our services | School Health Nursing | Herefordshire and Worcestershire Health and Care NHS Trust](#)
- We work closely with **locality social workers** and other support agencies including the **Educational Health** service. In addition to this, we also work closely with our **Area Safeguarding Officer**, Hayley Doyle.

- We work closely with representatives from the **Best Start Family Hubs** to provide support and education to parents through groups and workshops.
- **Attendance:** Every child whose attendance is below 90% is carefully monitored and support is offered wherever possible, utilising the skills of the Family Support Worker where appropriate. Formal attendance meetings are held and improvements recognised. Our school operates a first day response system. Where attendance does not improve, the support of the Education Welfare Service might be sought in order to further support our families.
- **Prevent:** Trained Staff: All of the DSL team has received the PREVENT training, disseminating this information to ALL staff and ensuring they are all able to identify the early stages of radicalisation and what to do. This is part of the induction process for new staff.
- **Child Criminal Exploitation:** All staff have been trained through the whole school safeguard training delivered annually, and are able to identify early indicators of potential cases of child criminal exploitation. All DSLs undertake annual GET SAFE training.
- **Mental Health First Aid:** Ms Simmonds, Mrs Saunders & Mrs Tomkinson are our qualified mental health first aiders and Ms Simmonds is also our Designated Mental Health Lead. They are available to support children who may be experiencing mental health difficulties and their parents and carers with issues such as difficulty separating from parents or carers, reluctance to attend school, problems with toileting, eating or sleeping, attention difficulties, autism spectrum disorder, bereavement, anxiety or problems regulating mood. She can also offer advice on how to promote and support good mental health in children and young people as well as signposting parents and carers to other agencies or good quality on-line support where a problem persists or when more help is needed. All teaching and support staff receive regular training on mental health in children.
- **Domestic Abuse:** We are an Operation Encompass School working to break the cycle of Domestic Abuse and support children and families who are experiencing, or have experienced this.

Talking to someone is the first step towards help...

You can speak to any member of staff; the safeguarding team, a senior leader, your child's class teacher or key person about any concerns you have. All staff at Red Hill CofE Primary School are committed to the welfare and wellbeing of every child as well as promoting positive relationships and a supportive and inclusive environment for all.

The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support to our families;

Please see below for a list of local services which may be able to provide help and support.

You can access the Community Services Directory on the following link:

Health Visiting Service - Worcestershire

[Our services](#) | [Health Visitors](#) | [Herefordshire and Worcestershire Health and Care NHS Trust](#)

The local Health Visiting team are part of the 0-19 Public Health Nursing Service. They work with families to achieve the best health and wellbeing for children from birth to 5 years of age, by identifying health needs and promoting healthy lifestyles.

All families are offered 5 contacts with the Health Visiting Service, from pregnancy until a child starts full time school. These are an antenatal visit, new birth visit, 6-8 week review, 12 week review and an integrated 2.5 year review.

The Health Visiting teams run the following Well Child Clinics in Worcester:

- Every Monday, Buttercup Family Hub, 09:30-12:00
- Every other Tuesday, Saffron Family Hub, 09:30-12:00
- Every other Wednesday, Tudor Way Family Hub, 12:00-14.30

Please phone 01905 520032 for more information and to book a timeslot.

If your child is 0-19 years old and you need advice on issues such as feeding, development or toileting, behaviour etc, you can contact the Telephone Advisory Service (TAS). The service is managed by members of the Health Visiting Team who can assist you with a variety of different worries and questions you have about your child.

- Phone: 01905 520 032
- Service hours: Monday — Friday 9:00am — 1:00pm

Alternatively, you can use the Parentline (Texting service)

- Text: 07312 263547
- Service hours: Monday – Friday 9:00am – 5pm

School Nursing - Worcestershire

[Our services](#) | [School Health Nursing Service Worcestershire](#) | [Herefordshire and Worcestershire Health and Care NHS Trust](#)

They provide a wide range of services for children, young people and their families in Worcestershire. They offer confidential health and wellbeing support to children and young people in mainstream schools and Pupil Referral Units. This can include help with stress, bullying and managing worries. In addition, we support young people with issues such as weight concerns, mental and emotional health, accident prevention, attendance at emergency departments, domestic violence concerns, and substance misuse.

If your child or a child you care for would benefit from support from the team, you can make a referral online. They accept electronic referrals from schools, parents, GPs, and professionals.

[Request support from the school nursing service | Children, Young People and Families](#)

If you're 11-19 years old you can text **07507331750** to speak to a School Health Nurse. They will offer confidential advice and support around a variety of issues, including bullying, emotional health, relationship problems, alcohol and drugs. The service is available between 9:00am — 5:00pm, Monday – Friday
