

HISTORY

Gather pictures of your family and/or take a picture with as many generations as possible. You can share this with your teacher by email. (3 points)

Find out more about King Charles III. Create a fact file or write some facts about him. (5 points)

Find out more about Queen Elizabeth II. Create a fact file or write some facts about her. (5 points)

Compare toys that you have to ones that your parents / grandparents had to play with. You could compare stories or pictures but find a way to share with the class. (5 points)

Create a virtual time capsule to show how you have changed since you were born. You could gather photos and write captions for them, draw pictures and write captions or bring in small items to showcase your life so far. (10 points)

Put photos of your family in order on a timeline for when they were born. Remember to show the year they were born. If you make a big timeline, take a picture to share with the class. (10 points)

RE

Create a piece of art showing one or more days in the Christian creation story. You could paint, draw, collage or find another way to show the story of creation. (5 points)

Take a visit to a church. What do you see there? How do you feel when you're in the church? Take some pictures to share with the class. (10 points)

Find pictures of your family if they have had a special celebration in a church. Have you been christened? Has anyone in your family got married in a church? (10 points)

SCIENCE

Draw a picture of your pet or a family pet and label the main parts of its body. Does it have fur? Legs? Wings? If you don't have a pet, what's your dream pet? You could draw and label that. (5 points)

Watch a nature documentary about animals and record some facts to show what you learned. (5 points)

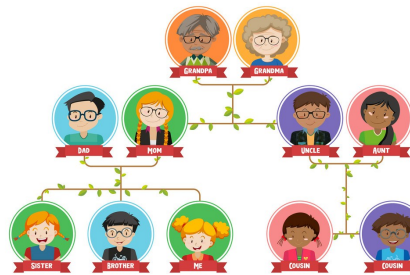

Find out about an animal and make a poster or a fact file. You might want to think about what animal group they're in, where they live and what they eat. (10 points)

Take a walk in a park or your garden, what animals can you see? Can you tell if they are mammals, birds etc.? Record what you see and what you found out. (10 points)

This half term's House Project is:

My Family

HAND IN BY: 2nd November

Choose projects to achieve your House Points

By all means earn as many as you would like!

Tick off what you have completed to achieve your points.

PHONICS

Take photos of yourself doing a tricky word hunt around your house or garden. Read the words and say them in a sentence. (3 points)

Use chalk to write tricky words on the ground outside at home or at the park. You could use crayons and paper too. (3 points)

Write some silly sentences using our tricky words. Can you write some silly sentences about your family? (5 points)
