GEOGRAPHY

Create a map of your house, label the different rooms. Can you think of any symbols to identify different rooms? (5 points)

Find Red Hill School on Google Earth. (3 points)

Find local Worcester landmarks on Google Earth. (3 points)

Go for a walk around your local area— what landmarks or key features are around your home? E.g. petrol station, fish and chip shop. (5 points)

Make a map of your route to school. Draw symbols along the route to show key features and landmarks. (10 points)

Search your home for different types of maps. E.g. globe, online maps, road map, maps of theme parks etc. (3 points)

Look at a map of the whole of Worcestershire and plot where Worcester is. (5 points)

DT— moving story books

Visit a library and try to find and read a moving story book such as one of the "Peekaboo' baby books by Camilla Reid. (5 points)

Create your own moving story book page inspired by your favourite picture book with a character that can move on a slider like in the 'Peekaboo' books. (10 points)

PHONICS

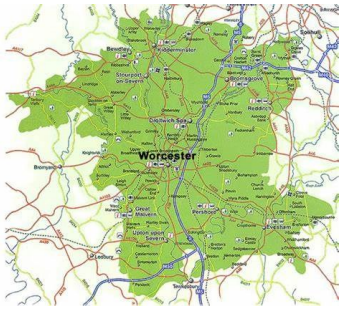

Make a set of phase 3 and 5 flashcards with a sound on each card. Stick them around your home and say them whenever you walk past one. (5 points)

Watch the list of Alphablocks episodes from series 4 and read and write any words the Alphablocks characters hold hands to create. Episodes - Name, Sleep, Mine, Home, Blue, Outlaw, Birthday Girl, and Cowboy. Challenge yourself to write sentences too! (10 points)

This half term's House Project is:

My Local Area

HAND IN BY: 19th December

Choose projects to achieve your House Points

By all means earn as many as you would like!

Tick off what you have completed to achieve your points.

SCIENCE

Go on a material hunt in your home. Write a list of different materials in your home. (10 points)

Collect different items and sort them based on their material they're made from (3 points)

Use a toy with wheels, such as a car, and roll it on different materials such as grass, tiles, carpet etc. What does it travel the furthest on? Record your results. (5 points)

COMPUTING

Search for different technology in your home. Make a list or take photos. (5 points)

With permission, take a photo on a trusted adults device. (5 points)

With permission, practise typing on a phone, laptop, tablet or computer— if you don't have any of these devices libraries have computers you can use. Maybe type your name and things you enjoy to play with or eat. (10 points)
