10 House Points:

- Create your own Horrible Histories video for the Stone Age
- Compose a stop animation project of a day in the life of a Palaeolithic person
- Make a model of a Stone Age scene demonstrating life in the Stone Age and the animals that were around
- Write a diary entry as an archaeologist at discovering Stone Age artefacts!
- Construct a PowerPoint explaining what life was like in the Stone Age
- Make a skeleton model and label the bones
- Create a comic about a Stone Age person's adventures

5 House Points:

- Create a cave painting on scrap material or rocks
- Create a cave or den in the woods and take lots of photos!
- Cook a meal using ingredients available for the people of the Stone Age
- Create a fact file of all the animals that lived during the Stone Age period

2 House Points

This half term in maths we are studying addition, subtraction, multiplication and division

- Using the digits 9,8,7,6,5,4,3,2,1 how many numbers can you make? Eg. 126. Add your totals together. What is the greatest and smallest amount you can make? Can you order them on a number line? Are they a multiple of 2, 3, 4, 5, 8 or 10?

This half term's House Project is:

Stone Age

HAND IN BY: Wednesday 16th December

Choose projects to achieve your House Points

By all means earn as many as you would like!

Tick off what you have completed to achieve your points.

Try and select something from each box.

5 House Points:

In science, we are investigating humans and animals.

- Make a healthy meal based of the 'eat well' plate.
- Draw a detailed diagram of the skeleton and label the bones/muscles. Can you explain why our skeletons are important for us too?
- Design a PowerPoint on the 2 types of skeletons and the animals that have them.

In RE, we are continuing to study Christianity exploring the world that Jesus would want.

- Create a piece of art depicting the world that Jesus would want
- Help one of your grown-ups do one of their jobs and share how it made you feel in a mind map.
- Draw a comic book strip depicting the story of the Good Samaritan – what lessons can we learn from this gospel?

3 House Point:

- Create a timeline of the Stone Age
- Draw a diagram of a Stone Age camp
- Make replicas of Stone Age tools
- Create a set of Top Trump cards for Stone Age people
